Deloitte. Legal

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited ("DTTL"), its global network of member firms, and their related entities. DTTL (also referred to as "Deloitte Global") and each of its member firms are legally separate and independent entities. DTTL does not provide services to clients. Please see <http://www.deloitte.com/about> to learn more.

Deloitte Legal means the legal practices of DTTL member firms, their affiliates or their related entities that provide legal services. The exact nature of these relationships and provision of legal services differs by jurisdiction, to allow compliance with local laws and professional regulations. Each Deloitte Legal practice is legally separate and independent, and cannot obligate any other Deloitte Legal practice. Each Deloitte Legal practice is liable only for its own acts and omissions, and not those of other Deloitte Legal practices. For legal, regulatory and other reasons, not all member firms, their affiliates or their related entities provide legal services or are associated with Deloitte Legal practices.

Deloitte is a leading global provider of audit and assurance, consulting, financial advisory, risk advisory, tax and related services. Our network of member firms in more than 150 countries and territories serves four out of five Fortune Global 500® companies. Learn how Deloitte's approximately 312,000 people make an impact that matters at www.deloitte.com.
