The mobility budget has (finally) entered into force!

On 28 February 2019, after a long legislative process, the Belgian federal parliament had finally adopted the 'Mobility Budget' for a 1 March 2019 entry into force.

On 29 March 2019, the Law of 17 March 2019 on the introduction of the mobility budget has been published in the Belgian Official Journal, which means that in principle, the mobility budget is effectively available for companies to introduce.

Laga's downloadable interactive report provides a more detailed and in-depth analysis of the mobility budget.
